## MEET YOUR COURSE FACILITATORS

Through yoga, meditation and an extensive study on patterns, mindset, and the way the mind operates, Johanna was able to completely alter the direction of her life. As the Founder of B.A.Y. Lifestyle and Beyond Asana Yoga School, Johanna offers an innovative approach to habit development, personal or professional coaching, and lifestyle transformation; to help you get clear and attract your definition of success to your life. She has developed and systemized ELM- an evolutionary life mapping method which facilitates your self-discovery through inquiry and self-reflection.

She was crowned Mrs. Puerto Rico Woman of Achievement 2022 and proceeded to win Mrs. US Woman of Achievement 2023 and uses this platform to share her passion for the freedom that the philosophy and lifestyle of yoga have afforded her life.
